

A.D. Architecture

Location : Paraparaumu, Wellington
Product : Van Gogh VGW51T Aged Kauri
Area : 120 m²
Sector : Offices

"There are no visible marks or wear which is amazing considering the amount of sand and dirt that is walked or blown in. It looks as good today as it did when it was installed. I am very impressed with its performance and have recommended as well as specified many Karndean Designflooring products to my clients."

Jon Ambler, Director
