Situated in the vibrant heart of Cairns, The Mantra Trilogy offers a stylish holiday sanctuary. The spacious luxury apartments include private balconies overlooking the breathtaking waterfront views.

The Mantra recently went through a hotel re-design, with over 250 rooms requiring a flooring update. Mantra required a hardwearing flooring option that would withstand heavy foot traffic and be quick and easy to install with minimal downtime.

Karndean LooseLay was an ideal flooring solution for the re-design, meeting all the key criteria Mantra was looking for. Mantra is delighted with their new flooring and finds the ease of the cleaning and maintenance truly valuable.
