Position: Commercial Business Manager

Department: Commercial Sales

Job Status: Full Time

Location: Kansas City, MO

Karndean Designflooring is looking to hire a Commercial Business Manager to be based in Kansas City and cover Missouri and parts of Kansas.

This position is the next exciting step for Karndean Designflooring. Karndean Designflooring sees flooring differently with our innovative gluedown, loose lay and rigid core luxury vinyl flooring products. With a 45-year history of producing LVT, it's only natural that we expand our presence in this territory.

Responsibilities will include, but are not limited to:

- Is responsible for all sales activities from lead generation to sales closure through a framework of both specified and unspecified projects. Identify the top commercial based architectural firms, flooring contractors and commercial interior designers.
- Track commercial projects from specifications through completion. Prospect for projects utilizing the latest spec software to build a growing pipeline while maintaining accurate information into Karndean Designflooring CRM systems.
- Expected to lead and collaborate product initiatives and promotions that lead to sales growth and market share gain. Provide monthly sales forecast.
- Ability to gather customer, market and competitive intelligence and translate that into strategic plans, actions, opportunities and forecasts.

Required Skills

- 3 plus years of commercial sales experience calling on the commercial markets in the Kansas City area.
- BS/Interior Design or Business Degree
- Someone who wants to build a market
- Organizational skills are a requirement
