mecwa*care* has provided care to the community for over 50 years and has recently opened another residential aged care facility in Malvern. When designing this state of the art facility, a major consideration was providing an environment that was not only safe and homely but also exuded a level of class.

For mecwa*care*, hygiene, safety and low maintenance were important factors when selecting their floor covering. Karndean Designflooring is easy to clean, durable and comes with a 15 year wear guarantee, making mecwa*care*'s decision to use Karndean simple.
